

Daily Learning Task 1

Year 3

Maths

We tell the time using analogue and digital clocks. How many examples of each can you find around your house? You may be surprised!

Can you tell the time on these analogue clocks? Write the times in your home learning book.

English

Prepositions

In Year 3 we need to confidently use prepositions in our sentences.

Watch the BBC bitesize video clip to remind you what a preposition is and have a go at the quiz below it. Let us know what score out of 5 you get!

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zw38srd>

Then use your knowledge of prepositions to write a short paragraph about the picture below. Underline or highlight all the prepositions you use.

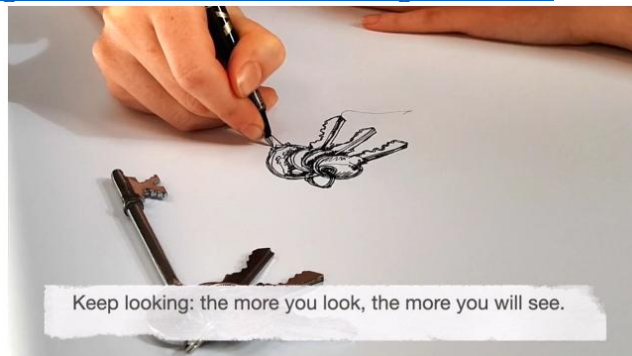

Other

Art

Continuous line drawings provide an excellent way to improve your drawing skills. Continuous line drawings are made by keeping the pen or pencil in contact with the paper for the whole of the exercise, and by matching speed of looking with speed of drawing. Watch the clip below and have a go at creating your own continuous line drawing using a pencil.
