English

Reading – retrieval

Read the passage below from *Fantastic Mr Fox* by Roald Dahl. Then answer the retrieval questions in your home learning book.

Rex Retriever 2C

Down in the valley there were three farms. The owners of these farms had done well. They were rich men. They were also nasty men. All three of them were about as nasty and mean as any men you could meet. Their names were Farmer Boggis, Farmer Bunce and Farmer Bean. Boggis was a chicken farmer. He kept thousands of chickens. He was enormously fat. This was because he ate three boiled chickens smothered with dumplings every day for breakfast, lunch and supper.

1. What kind of men were the three farmers? Find and copy two words from the text.
2. What kind of farmer was Farmer Boggis?
3. What did Farmer Boggis like to eat?
4. Where would you find the three farms?
5. Can you draw a picture of what you think Farmer Boggis would look like?
