Learning

This half term our Reading and Writing will be based on the books, 'At the Beach' and 'Clean up'. In Maths, our children will be looking at the place value of numbers within 100.

In our Science lessons we will be learning about the seasons focussing on Autumn. Our History learning will be taking us back to the past where we will be diving deeper into family history. In Computing, we will be looking at 'Technology Around Us.'

We will be exploring the question 'How do Muslims practice Islam' in RE and in PSHE we will be thinking about 'Me and My Relationships'.

Our Music lessons will be based around 'Mars' from 'The Planets' by Gustav Holst and PE will be games and fundamental movements.

Knowledge organisers for each subject can be found on the website.

'50 things to do before you leave Markland Hill' - A checklist we fill in at the end of each year marking off milestones in our learning and development.
